Amazing beauties

Undergraduates Oh Puey Fong and Zana Joelle Chin (right) were crowned Miss Malaysia Model of the World 2008 and Miss Malaysia International Model of the Year 2008 respectively in a two-in-one pageant in Ipoh on Sunday night. The girls beat 21 others in a nationwide contest organised by Marigold HL Low Fat Milk and Star Avenue Production. Oh, 23, wowed the crowd with her elegant catwalk when she paraded in the swimwear, casual and evening gown rounds. Meanwhile, Universiti Putra Malaysia first-year business student Zana, 20, stole the audience's heart when she performed excellently in 'imitating a talent' test.
