

UPMKB's MSAE-SC Club shines in innovation competition in Perlis

BINTULU: Nine Diploma in Agricultural Engineering students from the MSAE-SC Club of Universiti Putra Malaysia Bintulu Campus (UPMKB) hauled two gold, one silver and one bronze medals at an agricultural innovation competition in Perlis recently.

The campus, in a release, said the Young Agricultural and Food Engineers Technology Exhibition and Amazing Race Competition was held at Universiti Malaysia Perlis, in conjunction with the 10th Southeast Asian Agricultural and Food Engineering Student Chapter Annual Regional Convention.

The contestants Wan Amrin Aniq Wan Abu Manshor, Akmal Mirza Asbanizam, Fazrul Aiman Zainon, Nur Naziirah Batrishia Mokhlis, Nur Hurin Husna Rafiee, Nora Aniza Riduan, Yohanes Laing Zakaria, Tan Yu Xian and Simon Merinding competed against students from Indonesia and Thailand, as well as local universities and colleges in the six-day programme.

The students in a photo-call, taken after the prize-giving ceremony.

"The programme aimed to provide an opportunity for agricultural engineering students from Asean countries to exchange experiences and opinions in the field.

"The diversity of participation is expected to open space for participants to gain new

experiences and build good relationships among future agricultural engineers in Asean countries," said UPMKB.

The team was guided by MSAE-SC UPMKB club advisors Dr Nor Hanifawati Inai, Dr Wan Nor Zanariah Zainol and Dr Nozieana Khairuddin.
