

Imports stamp their mark

THERE were again no surprises in the second week of rugby's Super League as the import-powered front runners secured maximum points.

Last year's semi-finalists Keris Conlay did well to edge National Inter-club Championship (NICC) winners Negri Sembilan Wanderers 11-10 at the Jalan Bellamy grounds yesterday.

Tunku Mahkota Ismail Sports School, who with Wanderers, recently earned promotion from the NICC, were also on form when they eased past RMAF Blackhawks 33-11 at Universiti Putra Malaysia, Serdang.

On Saturday, Royal Selangor Club (RSC) again failed to make use of home ground advantage when they were easily beaten by Asas RFC 36-12 at the RSC Sports Annexe in Bukit Kiara. RSC lost to RMR Warriors 22-8 in their opening match last week.

Serdang Angels, also playing on home turf at UPM, did well to deny Bandaraya Dragons in a close 28-26 encounter.

Earlier in the week, defending champions Cobra sent a clear signal of intent when they thrashed Warriors 63-11. They will play RSC on Saturday. **By Fadhli Ishak**
