

# Zaidatul runs out of steam

**Zaidatul Husniah Zulkifli** finished last in her heat at the Olympic Stadium.

**Z Aidatul** Husniah Zulkifli failed to maximise her second chance at setting, at least, a new personal best when the Malaysian sprinter could only clock 12.62s in the first round of the 100m at the Rio Olympics on Friday.

Zaidatul, who qualified with the fourth fastest time in the preliminary round, finished last in her heat at the Olympic Stadium.

Her time was the slowest of 64 athletes who ran in the first round.

Zaidatul, who competed in the Games on a wild card, had clocked 12.12s in the preliminary round earlier on Friday.

The sprinter has a personal best of 11.62s while the national record, belonging to G. Shanti, is 11.50s.

Meanwhile Danny Chia enjoyed a better day at the Olympic Golf Course, shooting a

one-under 70 on Friday in the second round for a one-over 143 total to lie in joint 22nd place.

It was not a pleasant outing for Gavin Kyle Green though as the Malaysian shot a three-over 74 for a two-day 146 total for joint 50th in the 60-player field.

"Danny did well considering the wet and windy conditions he teed off in," said team manager Vincent Wong.

"Gavin faced early trouble at the second, third and fourth holes but managed to get a grip of his game to limit the damage."

Sailor Khairulnizam Afendy, 21st after six races, dropped to 37th in the men's laser while Nur Shazrin Latif was 27th in the women's laser radial after eight races, improving from 35th.
