SUNDAY: This doggie event is back! It aims to raise awareness of responsible pet ownership as well as funds for the "Catch, Neuter and Release" programme that seeks to improve the welfare of stray animals. The theme is "Medieval times: Guardian of our castles, crown of our hearts".

It is a time for owners and dogs to bond, too, through various games and activities. To participate, there is a fee of RM10 to RM35, depending on the activity.

UPM's veterinary students will have a booth for physical examination for canines and veterinary consultation, for just RM6. There will also be dog tricks and training demonstration, dog grooming, freebies, sale of pet products and a pet adoption drive.

For terms and conditions, or more information, call Charis Chan or Bryan Andrew Lazarus.

Time: 6.30am-2pm.

GPS coordinates are: 2.987989, 101.710508 or 2 59' 16.76" N1TT01' 42' 57.83" E
