

Happy New Year 2016

Universiti Putra Malaysia (UPM) wishes Happy New Year 2016 to all its citizens – officers, staff and students. We are grateful to God for being able to overcome the challenges and achieve a string of successes throughout the year 2015. Nevertheless, we should not be complacent with our past good records but strive harder for excellence. [READ MORE](#)

Prof. Datin Paduka Khatijah is one of six recipients of Anugerah Merdeka 2015

Dean of Biotechnology and Biomolecular Sciences Faculty, UPM, Profesor Datin Paduka Dr. Khatijah Mohamad Yusoff has been picked as one of the

country's six excellent individuals to receive the Anugerah Merdeka 2015. She was chosen due to her vast and meaningful contributions in the field of virology and microbiology as well as diagnosis of

infectious diseases that could lead to deaths in livestock and poultry and her research on the potential of virus in fighting cancerous cells. [READ MORE](#)
