

# Night run on campus

IN an effort to expose undergraduates to real world marketing and project management, one of Universiti Putra Malaysia's residential colleges is organising a sporting event.

Kolej Tun Dr Ismail (KTDI) principal Dr Abdul Razak Abdul Rahman said its students are organising a night run.

"Our students have set a new benchmark with the MY10K Night Run as it's the first time we are including a 15km route for a night run on campus," he said.

The MY10K Night Run will be held on April 29. It will feature routes in a secured campus environment for runners of all levels.

The run promises to be an exhilarating experience as there are both 5km and 10km

routes. The 5km is categorised as a fun charity run as part of the proceeds will be given to the National Cancer Council Malaysia (Makna).

Those taking part in the 10km and 15km will require a personal headlamp to manoeuvre the longer distances and more challenging terrain.

There will also be a concert with six artistes: Altimet, Aliff Aziz, Farisha, Haqiem Rusli, Hello Luqman, and Persis, all courtesy of main sponsor Safi Balqis. Other notable sponsors include Red Bull, and Decathlon.
