# Raise the flag

## She did it ...

Cheong Jun Hoong was not even slated to compete in the 10m platform event at the World Diving Championships in Budapest, Hungary. Her coach put her in for it because it would place less stress on her injured back than her usual event, the 3m springboard. And now, Malaysia has its first-ever world champion in diving.

## and you can, too

The flag is a symbol of our nation. It reminds us that we are a diverse, multiracial country, and should appreciate the things that make us who we are. Star Media Group invites all Malaysians to come together and celebrate National Day and Malaysia Day in a meaningful way.
