Malaysia's very own Fab Four

It has been a smashing year for Malaysian sports so far. Malaysia has now produced four world champions in just four months. Other than diver Cheong Jun Hoong, the others are cyclist Azizulhasni Awang (keirin) and para athletes Ziyad Zolkefli – men's shot putt F20 (learning disability) – and Abdul Latif Romly, men's long jump T20 (learning disability). **>49**
