THE gold medals are rolling in thick and fast for Malaysia, who added another nine to their medal haul. Terengganu Ruler Sultan Mizan Zainal Abidin contributed one as equestrian ended the day with a two-gold haul. Wushu also made a splash, raking in three golds through Yeap Wai Kin (men's jianshu), Loh Jack Chang (men's taijijian) and Diana Bong (women's nanquan). Zylane Lee-Gan Hua Wei (synchronised swimming's duet free routine), Rafiq Ismail (men's bowling) as well as the netball and men's rugby teams chipped in with one each. There will be another 25 golds up for grabs today. >43-51
