MALAYSIAN divers once again made a clean sweep of gold at the National Aquatic Centre yesterday.

The first gold was delivered in the 3m springboard synchronised when Ng Yan Yee-Nur Dhabitah Sabri mesmerised the judges scoring 304.71 points.

They successfully defended their gold won at the last Games in Singapore.

Then the men's duo of Ahmad Amsyar Azman-Chew Yiwei won gold in the men's 3 metre springboard synchronised with 399.15 points.

To cap a wonderful outing, Malaysia's

Leong Mun Yee-Jellson Jabillin won gold in the 10 meter Platform Synchronised raking up 311.94 points.

Nur Dhabitah, who had won silver in the 3 Metre Springboard, was glad that she managed to defend the synchro gold with Olympian Yan Yee.

"My back was really giving me problems when I was competing in the 3m springboard (individual) and I'm so glad that it did not act up again.

"I did my best and together with Yan Yee, we delivered for the nation," said Dhabitah whose Games

campaign ended yesterday.

Yan Yee was also happy to contribute to the overall gold tally.

"We had a good understanding and that's very important, and I am happy

that Dhabitah's back pain did not hinder us today.

"Both of us gave our best to defend the gold won in Singapore two years ago, by putting in lots of hours at the pool," said the Olympian.
