

Satirical play

Today and tomorrow

**Dewan Besar, Universiti Putra Malaysia,
Seri Kembangan**

HUZIR SULAIMAN's *Atomic Jaya* tells a story of Malaysia's first atomic bomb with a group of wacky characters, from a shady uranium smuggler to an army general with a Napoleon complex. The political satire takes on racial issues, national hubris and the post-colonial hangover. For details, call 014-590 8861 or visit Onetwotea on Facebook.
