

UNIVERSITI Putra Malaysia (UPM) signed four Letters of Intent with four Chinese education institutions.

These are Guizhou Polytechnic of Construction, Guizhou Equipment Manufacturing Vocational College, Guizhou University and Guizhou Light Industry Technical College with full support from Education Malaysia Beijing (EMB).

This will open doors to many opportunities for students, academicians and researchers to explore bilateral knowledge enhancement and sharing of experiences between the two countries.

# UPM, Chinese varsities to work together

The signing of the Letters of Intent was held in conjunction with the 12th China Asean Education Communication Week in Guiyang, Guizhou, China.

The signing ceremony was witnessed by the Education Ministry's Higher Education Department director Prof Dr Rahmah Ahmad H Osman and EMB director and counsellor Abdul Aziz How Abdullah.

UPM vice-chancellor Prof Datin Paduka Dr Aini Ideris presented a speech, on behalf of

Prof Aini speaking during the 12th China Asean Education Communication Wee held in Guiyang, China.

the Malaysian Higher Education Institutions taking part in the China-Asean Education Cooperation Week 2019, during its opening ceremony.

She expressed Malaysia's aspirations and

aims to enhance cooperation on student mobility, staff exchange, research collaboration and industrial engagement of nine public and private universities with China's universities.
