MONEY TALES

Aisyah, Adam and Friends

This book *Money Tales of Adam, Aisyah and Friends* is written specifically for the parents, teachers and educators to be made into teaching and learning materials both in and outside the classroom, also as a guide to educate the children and students about planning and financial management skills. It is also suitable as light reading for children and students in their spare time.

In addition, this book also provides 30 tips that can be a guide for parents, teachers and educators to educate children and students to become planners and financial managers who are smart and prudent. The tips provided are suitable for practice in daily life.
